## **United by Bike Addendum**

The ways in which the corporation pursued and created the specific public benefit stated in the articles;

We engaged in political advocacy for road redesign projects such as the 18th Ave NW redesign, collection of petition signatures, social media outreach and providing testimony to the Rochester City Council on the safety concerns as they relate to multi-modal transportation.

The extent to which that specific public benefit purpose was pursued and created; we launched planning phases of specific community wide events to which we are a partner organization such as Rochester Bike Summit.

Any circumstances that hindered efforts to pursue or create the specific public benefit,

Fundraising efforts were both time-consuming and minimal in return and as such were a hindrance to our mission. These issues are being addressed in 2018.
