Events by Lady K GBC 2022 Secretary of State Report

Events by Lady K GBC was incorporated on January 7, 2016 as a General Benefit Corporation under Minnesota's Public Benefit Corporation Act (the "Act"). Pursuant to Section 304A.101 of the Act, general public benefit purpose as state in its Articles of Incorporation is: to pursue a net material positive impact from the business and operations of a general benefit corporation on society, the environment, and the well-being of present and future generations.

The Events by Lady K GBC Board of Directors selected the following independent third-party standard:

Davis Law Office, PLLC B Corp Annual Assessment – Performance for Good:

In accordance with this third-party standard, Events by Lady K GBC has created the following general public benefit:

- 1) Events by Lady K partners with clients to create events where every attendee feels welcome, celebrated, & included! Our goal is to change the world of hospitality, meetings, and events to be truly equitable & inclusive, instead of maintaining a status-quo that hasn't worked for everyone.
- 2) 100% of our clients in 2022 were mission-driven organizations, including philanthropic foundations, nonprofit organizations, and social-enterprise businesses.
- 3) Provided event planning services to several non-profit organizations at below-market rates throughout the year

In accordance with this third-party standard, Events by Lady K GBC has created the following general public benefit:

Events by Lady K GBC uses a framework of Universal Design, centering the most marginalized identities of our planning processes, and building from there for an inclusive experience, celebrating differences and infusing accessibility. instead of making them feel like exceptions.

Since 2013, our company has been part of 260 events with 38,983 attendees in partnership with more than 80 clients, donated nearly \$325,000 of in-kind and cash contributions, directed nearly \$3.2M worth of business toward other LGBTQ-, women-, and BIPOC-owned companies, and supported the efforts of raising over \$1.95M for charitable organizations to achieve their important missions!

The following circumstances hindered Events by Lady K GBC's efforts to pursue or create a general public benefit:

Events by Lady K GBC celebrated a milestone of 9 years this year! COVID-19 continued to deeply impacted our industry, and greatly reduced our projected pipeline of projects and actual income. We're fortunate to have established ourselves in the hospitality industry with our unique approach to creating events where every attendee feels welcomed, celebrated, and included. We continue to struggle with adequate cashflow, due to timing of payments, increased costs of doing business, and higher costs of healthcare. Our return to in-person events with a virtual component was exciting!

The Board of Directors has reviewed and approved this report.
