La Dona Cervceria
Public Benefit Report
March 20th, 2023

La Dona Cervceria operated as a specific benefit corporation in 2022 for our 5th year. Our articles of incorporation describe our specific benefit as “supporting the Latino community of Minnesota and providing support to social, economic and environmental issues that affect the larger community.” In support of this mission this year we supported local charities with small donations of products for silent auction, and nearly \$3,000 in direct donations. We hosted and sponsored LatinoLead in several initiatives and events of theirs through the use of our space. We also have been supporting Latino businesses by hosting Latin vendors and aspiring entrepreneurs. We also hosted several larger events centered around Dia de los Muertos and Cinco de Mayo for the Latin community. We also worked with and received a grant from Hennepin County for purchasing more environmentally conscious and sustainable plateware for our business as part of the MNinize initiative.

We were hindered in our pursuit of our specific purpose in various ways but none as restrictive of the previous years involving COVID-19. Restrictions around COVID were not in place in 2022 in the same way and 2021 and we were able to host countless individuals from our community and various Non-Profits to host their events and Fundraisers, including many Spanish Immersion Schools. We hope to continue to grow our Cinco de Mayo and Dia de los Muertos festival and others celebrating Latin heritage and culture. As well as supporting the variety of Latin businesses we partner with to do those events.

This report has been reviewed and approved by the La Dona board of directors.

Thank you,
