Elections Division
September 2026

This map shows the Congressional and Legislative Districts ordered by the Special Redistricting Panel in the matter of *Wattson, et al. v. Simon, et al*, No. A21-0243 and A21-0546, on Feburary 15, 2022, as modified by the legislature, corrected under *Minnesota Statutes* 2.91, subd. 2, or adjusted under *Minnesota Statutes* 2048.146, subd. 3. House districts that fall in the same Senate district use different shades of the same color. Only those municipalities with multiple precincts have precinct labels. Precinct boundaries are maintained by the Secretary of State, derived from MnGeo and U.S. Census data. Precinct boundaries are current as of the date above, but visit the Polling Place Finder for definitive precinct and district information for a particular address: https://pollfinder.sos.mn.gov Precinct boundaries in unorganized territories are those established by county boards and may not align with the unorganized territory boundaries from MnGeo and U.S. Census. Precinct data is available at the Minnesota Geospatial Commons: https://gisdata.mn.gov. Road data is from Mn/DOT and U.S. Census (Statewide) and NCompass (Metro). Water data is from MN DNR.
