Advisory Committee To The Program Committee Of The Health Professionals Services Program

Legal Basis: M.S. 214.32
 Health Professionals Services Programs
 St Paul, MN 55108
 Telephone: (612) 548-2136

Compensation: Public members cannot be regulated by the Minnesota health-related licensing boards and must meet provisions defined in Minnesota Statute 214.02.

Powers and Duties include: The Health Professionals Services Program (HPSP) monitors the practice, treatment and continuing care of regulated health professionals who may be unable to practice with reasonable skill and safety, if their illness is not appropriately managed. The enabling legislation provides a non-disciplinary method for health licensing boards to address health professionals with illnesses who recognize their illness and the need for continuing care and/or practice limitations. The committee will provide input to the program committee, program and board staff.

Member Restrictions include:

MISSION: The Health Professionals Services Program (HPSP) is a program of the Minnesota health related licensing boards that provides monitoring services to health professionals with illnesses that may impact their ability to practice safely.

An advisory committee is established to advise the program committee consisting of: (1) one member appointed by each of the following: the Minnesota Academy of Physician Assistants, Minnesota Dental Association, Minnesota Chiropractic Association, Minnesota Licensed Practical Nurse Association, Minnesota Medical Association, Minnesota Nurses Association, and Minnesota Podiatric Medicine Association; (2) one member appointed by each of the professional associations of the other professions regulated by a participating board not specified in clause (1); and (3) two public members, as defined by section 214.02. Members of the advisory committee shall be appointed for two years and members may be reappointed.

Additional Information on how appointments are made:

Biennial Notice of Appointments to Program Manager. Biennially on November 1 of odd-numbered years the program manager will notify each participating association of the need to make a new appointment or confirm the continuation of the current appointee by the coming January 15. Each participating association must notify the program manager in writing on or before January 1st of the even-numbered year of who their representative is and who their alternate is (if they use an alternate). HPSP does not offer members a per-diem (payment) for participating on the committee. Participation on the committee is voluntary. "Public member" means a person who is not or never was, a member of the profession or occupation being licensed or regulated or the spouse of any such person, or a person who does not have or has never had, a material financial interest in either the providing of the professional service being licensed or regulated or an activity directly related to the profession or occupation being licensed or regulated.

Summary of Activities include: The HPSP is invested in obtaining public member participation on the advisory committee to the program committee. Public members must meet the definition described in Minnesota Statutes 214.02. Ideally, public members are interested in enhancing public safety in health care by promoting early intervention, diagnosis, and treatment of health professionals with potentially impairing illnesses; and by providing monitoring services as an alternative to board discipline. Please note that Minnesota Statutes 214.02 restricts many interested persons from being appointed as a public member. In fiscal year 2017, the Advisory Committee was instrumental in updating program forms.

Meetings are held at: 335 Randolph Ave, St Paul, MN 55102 with Hybrid option

Board of Nursing

Legal Basis: M.S. 148.181.
1210 Northland Drive
Mendota Heights, MN 55120
Telephone: (612) 317-3000

Compensation: Mileage; lodging and meal allowance for board members outside the seven-county metro area; and registration fees for Board approved conferences.

Powers and Duties include: The Minnesota Legislature established the Board of Nursing in 1907 to protect the public's health and welfare by overseeing and ensuring the safe practice of nursing in Minnesota. The Board holds nurses accountable for conduct based on legal, ethical, and professional standards. The Board regulates nursing practice through the following:

- Credentialing - License registered nurses (RN), licensed practical nurses (LPN), advanced practice registered nurses (APRN), and public health nurses (PHN).
- Education - Approve schools of nursing to prepare a sufficient nursing workforce to practice nursing competently and safely.
- Discipline/complaint resolution – Investigate complaints and take action against nurses who violate the law, including removing nurses from practice who are risk to patient safety.
- Nursing practice standards – Interpret the laws and rules related to nursing practice and establish guidelines so employers and consumers can make informed decisions regarding the performance of nursing services.
- Data – Perform data analytics to provide: licensure, education, and disciplinary data; for purposes of emergency preparedness; assurance of the authority of a nurse to practice; education and workforce planning; and efficiency of government services.

Member Restrictions include: The Board of Nursing is comprised of 16 members: eight registered nurses, four licensed practical nurses, and four public members. The Governor appoints members to a four-year term, ending the first Monday in January. Members serve until their successors are appointed and qualify. A member may be reappointed but may not serve more than two consecutive terms. The appointments are reflective of the geography of the state and a broad mix of nurse practice types and sites in Minnesota. Members must be a resident of the State of Minnesota and file a constitutional oath of office with the Secretary of State before beginning the term of office.

Nurses must have graduated from an approved school of nursing, be licensed and registered as a nurse in Minnesota, have had at least five years of nursing practice experience immediately preceding appointment, and be actively engaged in the practice of nursing at the time of appointment.

Five of the eight registered nurses have additional specific requirements:

1. One registered nurse must have had at least two years executive or teaching experience in a board-approved baccalaureate degree nursing education program during the five years immediately preceding appointment.
2. One registered nurse must have had at least two years executive or teaching experience in a board-approved associate degree nursing education program during the five years immediately preceding appointment.
3. One registered nurse must have had at least two years executive or teaching experience in a board-approved practical nursing education program during the five years immediately preceding appointment.
4. One registered nurse must be practicing nursing in a nursing home at the time of appointment.
5. One registered nurse must be licensed and currently registered as an advanced practice registered nurse (APRN) and have national certification as a registered nurse anesthetist (CRNA), certified nurse midwife (CNM), certified nurse practitioner (CNP), or clinical nurse specialist (CNS).

Any nurse on the Board who, during incumbency, permanently ceases to be actively engaged in the practice of nursing or otherwise becomes disqualified for board membership, is automatically removed and the governor shall fill the vacancy.

Public members must not be or ever have been a nurse or the spouse of a nurse, and must never have had a material financial interest in either the providing of nurse services or an activity directly related to nursing.

Summary of Activities include: The Board of Nursing's mission is to protect the public's health and safety through the regulation of nursing education, licensure and practice.

Board of Water and Soil Resources

Legal Basis: M.S. 103B.101
 520 Lafayette Road North
 St. Paul, MN 55155
 Telephone: (651) 296-0878

Compensation: \$125 per diem plus expenses

Powers and Duties include: The board oversees and coordinates the water and soil resources management activities of local units (counties, SWCD's, WD's, WMO's) of government through approval of local plans, administration of state grants, cost-sharing contracts, performance evaluation, and administrative appeals and hearings. Programs include RIM Reserve, local water planning and implementation, Wetlands Conservation Act, soil conservation, riparian buffer protection, and Legacy Amendment programs and projects. The board's mission is to improve and protect Minnesota's water and soil resources by working in partnership with local organizations and private landowners.

Member Restrictions include: Membership includes three county commissioners; three soil and water conservation district (SWCD) supervisors; three watershed district (WD) or watershed management organization (WMO) representatives; two city representatives; one township representative; and three unaffiliated citizens. One member must come from each of the current soil and water conservation administrative regions throughout the state. At least three but no more than five members must come from the seven-county metropolitan area. All members must be knowledgeable of soil and water issues. Five agency members represent the University of Minnesota Extension Service, Minnesota Department of Natural Resources, Minnesota Department of Agriculture, Minnesota Department of Health, and Minnesota Pollution Control Agency.

Summary of Activities include:

Appropriations in 2024 Session Laws:

(a) \$3,434,000 the second year is for a working-lands floodplain program and to purchase, restore, or preserve riparian land and floodplains adjacent to lakes, rivers, streams, and tributaries, by conservation easements or contracts to keep water on the land, to decrease sediment, pollutant, and nutrient transport; reduce hydrologic impacts to surface waters; and increase protection and recharge for groundwater. Up to \$225,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 6, paragraph (f).

(b) \$4,000,000 the second year is to purchase permanent conservation easements to protect lands adjacent to public waters that have good water quality but that are threatened with degradation. Up to \$160,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 6, paragraph (k).

(c) \$2,000,000 the second year is for developing and implementing a water legacy grant program to expand partnerships for clean water. Of this amount, \$500,000 is for grants to watershed districts to reduce the costs to landowners for green infrastructure projects, including rain gardens, permeable pavement, rainwater harvesting and reuse, and other clean water practices. Priority must be given to projects in low-income and high-pollution areas. Watershed districts may partner with local community groups, nonprofit organizations, and other interested parties to perform the work and provide outreach to communities. This appropriation is added to the appropriation in Laws 2023, chapter 40, article 2, section 6, paragraph (m).

(d) \$1,000,000 the second year is to provide support to soil and water conservation districts and other local governments and partner organizations in the Lake Superior basin to leverage Great Lakes Restoration Initiative or other federal Great Lakes funding to implement prioritized activities.

(e) \$1,000,000 the second year is for conservation easements acquired under Minnesota Statutes, sections 103F.501 to 103F.535, or for grants or contracts to local units of government or Tribal governments, including for fee title acquisition or for long-term protection of groundwater supply sources. Consideration must be given to drinking water supply management areas and alternative management tools in the Department of Agriculture Minnesota Nitrogen Fertilizer Management Plan, including using low-nitrogen cropping systems or implementing nitrogen fertilizer best management practices. Priority must be placed on land that is located where the vulnerability of the drinking water supply is designated as high or very high by the commissioner of health, where drinking water protection plans have identified specific activities that will achieve long-term protection, and on lands with expiring conservation contracts. Up to \$50,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103. This appropriation, including the conditions and considerations, is added to the appropriation in Laws 2023, chapter 40, article 2, section 6, paragraph (g).

(f) **The board must require grantees to specify the outcomes that will be achieved by the grants.**

(g) The appropriations in this section are available until June 30, 2028, except grant or easement funds are available for five years after the date a grant or other agreement is executed. Returned grant funds must be regranted consistent with the purposes of this section.

SOIL HEALTH APPROPRIATIONS; REPORT.

By January 15, 2026, the Board of Water and Soil Resources must submit a report to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over environment and natural resources on the expenditure of money appropriated for soil health activities under Laws 2023, chapter 60, article 1, section 4, paragraph (k).

Summary of Activities include:

The Cannabis Expungement Board shall review all available records to determine whether the conviction or stay of adjudication is eligible for an expungement or resentencing to a lesser offense. An expungement under this section is presumed to be in the public interest unless there is clear and convincing evidence that an expungement or resentencing to a lesser offense would create a risk to public safety.

If the Cannabis Expungement Board determines that an expungement is in the public interest, the board shall determine whether a person's conviction should be vacated and charges should be dismissed.

If the Cannabis Expungement Board determines that an expungement is in the public interest, the board shall determine whether the limitations under section 609A.03, subdivision 5a, apply.

If the Cannabis Expungement Board determines that an expungement is in the public interest, the board shall determine whether the limitations under section 609A.03, subdivision 7a, paragraph (b), clause (5), apply.

If the Cannabis Expungement Board determines that an expungement is not in the public interest, the board shall determine whether the person is eligible for resentencing to a lesser offense.

In making a determination under this subdivision, the Cannabis Expungement Board shall consider:

(1) the nature and severity of the underlying crime, including but not limited to the total amount of marijuana or tetrahydrocannabinols possessed by the person and whether the offense involved a dangerous weapon, the intentional infliction of bodily harm on another, an attempt to inflict bodily harm on another, or an act committed with the intent to cause fear in another of immediate bodily harm or death;

(2) whether an expungement or resentencing the person a lesser offense would increase the risk, if any, the person poses to other individuals or society;

(3) if the person is under sentence, whether an expungement or resentencing to a lesser offense would result in the release of the person and whether release earlier than the date that the person would be released under the sentence currently being served would present a danger to the public or would be compatible with the welfare of society;

(4) aggravating or mitigating factors relating to the underlying crime, including the person's level of participation and the context and circumstances of the underlying crime;

(5) statements from victims and law enforcement, if any;

(6) if an expungement or resentencing the person to a lesser offense is considered, whether there is good cause to restore the person's right to possess firearms and ammunition;

(7) if an expungement is considered, whether an expunged record of a conviction or stay of adjudication may be opened for purposes of a background check required under section

122A.18, subdivision 8; and

(8) other factors deemed relevant by the Cannabis Expungement Board.

In making a determination under this subdivision, the Cannabis Expungement Board shall not consider the impact the expungement would have on the offender based on any records held by the Department of Health; the Department of Children, Youth, and Families; or the Department of Human Services.

The affirmative vote of three members is required for action taken at any meeting.

Identification of eligible misdemeanor and petty misdemeanor records. The board shall identify violations of section 152.027, subdivisions 3 and 4, that were not automatically expunged pursuant to section 609A.055. Pursuant to subdivision 10, the board shall notify the judicial branch that any identified records are eligible for expungement.

Until the board completes its work, the board shall issue a report by January 15 of each year to the legislative committees and divisions with jurisdiction over public safety policy and finance on the board's work. The report shall contain summary data and must include:

- (1) the total number of cases reviewed in the previous year;
- (2) the total number of cases in which the board determined that an expungement is in the public interest;
- (3) the total number of cases in which the board determined that resentencing to a lesser offense is appropriate, the original sentence in those cases, and the lesser offense recommended by the board;
- (4) the total number of cases in which the board determined that no change to the original sentence was appropriate; and
- (5) the total number of cases remaining to be reviewed.

Notice to judicial branch and offenders.

The Cannabis Expungement Board shall identify any conviction or stay of adjudication that qualifies for an order of expungement or resentencing to a lesser offense and notify the judicial branch of:

- (1) the name and date of birth of a person whose conviction or stay of adjudication is eligible for an order of expungement or resentencing to a lesser offense;
- (2) the court file number of the eligible conviction or stay of adjudication;
- (3) whether the person is eligible for an expungement;
- (4) if the person is eligible for an expungement, whether the person's conviction should be vacated and charges should be dismissed;
- (5) if the person is eligible for an expungement, whether there is good cause to restore the offender's right to possess firearms and ammunition;
- (6) if the person is eligible for an expungement, whether the limitations under section 609A.03, subdivision 7a, paragraph (b), clause (5), apply; and
- (7) if the person is eligible for resentencing to a lesser offense, the lesser sentence to be imposed.

The Cannabis Expungement Board shall make a reasonable and good faith effort to notify any person whose conviction or stay of adjudication qualifies for an order of expungement that the offense qualifies and notice is being sent to the judicial branch. Notice sent pursuant to this paragraph shall inform the person that, following the order of expungement, any records of an arrest, conviction, or incarceration should not appear on any background check or study.

All data collected, created, received, maintained, or disseminated by the Cannabis Expungement Board in which each victim of a crime and person whose conviction or stay of adjudication that the Cannabis Expungement Board reviews is or can be identified as the subject of the data is classified as private data on individuals, as defined in section 13.02, subdivision 12.

Upon receiving notice that an offense qualifies for expungement, the court shall issue an order sealing all records relating to an arrest, indictment or information, trial, verdict, or dismissal and discharge for an offense described in subdivision 3. The courts shall not order the Department of Health or Human Services to seal records under this section. If the Cannabis Expungement Board determined that the person's conviction should be vacated and charges should be dismissed, the order shall vacate and dismiss the charges.

If the Cannabis Expungement Board determined that there is good cause to restore the person's right to possess firearms and ammunition, the court shall issue an order pursuant to section 609.165, subdivision 1d.

If the Cannabis Expungement Board determined that an expunged record of a conviction or stay of adjudication may not be opened for purposes of a background check required under section 122A.18, subdivision 8, the court shall direct the order specifically to the Professional Educator Licensing and Standards Board.

The court administrator shall send a copy of an expungement order issued under this section to each agency and jurisdiction whose records are affected by the terms of the order and send a letter to the last known address of the person whose offense has been expunged identifying each agency to which the order was sent.

In consultation with the commissioner of human services, the court shall establish a schedule on which it shall provide the commissioner of human services a list identifying the name and court file number or, if no court file number is available, the citation number of each record for a person who received an expungement under this section.

Data on the person whose offense has been expunged in a letter sent under this subdivision are private data on individuals as defined in section 13.02, subdivision 12.

If the Cannabis Expungement Board determined that a person is eligible for resentencing to a lesser offense and the person is currently under sentence, the court shall proceed as if the appellate court directed a reduction of the conviction to an offense of lesser degree pursuant to rule 28.02, subdivision 12, of the Rules of Criminal Procedure.

If the Cannabis Expungement Board determined that a person is eligible for resentencing to a lesser offense and the person completed or has been discharged from the sentence, the court may issue an order amending the conviction to an offense of lesser degree without holding a hearing.

If the Cannabis Expungement Board determined that there is good cause to restore the person's right to possess firearms and ammunition, the court shall, as necessary, issue an order pursuant to section 609.165, subdivision 1d.

In consultation with the commissioner of human services, the court shall establish a schedule on which it shall provide the commissioner of human services a list identifying the name and court file number or, if no court file number is available, the citation number of each record for a person who was resentenced under this section.

Meetings are held at: The schedule is not determined at this time, though, given the expected number of cases for review, likely at least once per month.

Powers and Duties include:

A local welfare agency that has determined that maltreatment was the cause of or a contributing factor in a critical incident must notify the commissioner and the executive director of the panel within three business days of making the determination.

The panel shall conduct a joint review with the local review team for:

- (1) any critical incident relating to a family, child, or caregiver involved in a local welfare agency family assessment or investigation within the 12 months preceding the critical incident;
- (2) a critical incident the governor or commissioner directs the panel to review; and
- (3) any other critical incident the panel chooses for review.

The local review team must review all critical incident cases not subject to joint review under paragraph (b).

Within 120 days of initiating a joint review or local review of a critical incident, except as provided under paragraph (h), the panel or local review team shall complete the joint review or local review and compile a report. The report must include any systemic learnings that may increase child safety and well-being, and may include policy or practice considerations for systems changes that may improve child well-being and safety.

A local review team must provide its report following a local review to the panel within three business days after the report is complete. After receiving the local review team report, the panel may conduct a further joint review.

Following the panel's joint review or after receiving a local review team report, the panel may make recommendations to any state or local agency, branch of government, or system partner to improve child safety and well-being.

Information, documents, and records otherwise available from other sources are not immune from discovery or use in a civil or criminal action solely because they were presented during proceedings of the review panel. A person who presented information before the review panel or who is a member of the panel is not prevented from testifying about matters within the person's knowledge. Community Supervision Advisory Committee

Legal Basis: MS 401.17; MN Laws 2023 Chapter 52
1450 Energy Park Drive
St. Paul, MN 55108
Telephone: (651) 361-7200

Compensation: Each committee member must be reimbursed for all reasonable expenses actually paid or incurred by the member while performing official duties in the same manner as other state employees. The public members of the committee must be compensated at the rate of \$55 for each day or part of the day spent on committee activities.

Powers and Duties include:

The commissioner, in consultation with the committee, must complete a workload study by October 1, 2024, to develop a capitated rate for equitably funding community supervision throughout the state. The study must indicate what factors go into a capitated rate, including but not limited to the administrative cost of providing supervision and the average daily cost for providing supervision depending on risk level.

The commissioner is responsible for completing the workload study and submitting it to the legislature in accordance with section 401.10, subdivision 4.

By June 1, 2024, the advisory committee, in consultation with the Minnesota Counties Computer Cooperative, must create a method to (1) standardize data classifications across the three community supervision systems, and (2) collect data for the commissioner to publish in an annual report to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over public safety finance and policy.

The advisory committee's method, at a minimum, must provide for collecting the following data:

1. the number of individuals sentenced to supervision each year;
2. the offense levels, offense types, and assessed risk levels for which individuals are sentenced to supervision;
3. violation and revocation rates and the identified grounds for the violations and revocations, including final disposition of the violation action such as execution of the sentence, imposition of new conditions, or a custodial sanction;
4. the number of individuals granted early discharge from probation;
5. the number of individuals restructured on supervision, including imposition of new conditions of release; and
6. the number of individuals revoked from supervision and the identified grounds for revocation.

Beginning January 15, 2025, as part of the report under section 241.21, subdivision 2, the commissioner must include data collected under the committee method established under this subdivision. The commissioner must analyze the collected data by race, gender, and county, including Tribal Nations.

Nothing in this section overrides the commissioner's authority to require additional data be provided under other law.

Within 45 days of receiving the committee's recommendations under subdivision 3, the commissioner must respond in writing to the committee's advice and recommendations. The commissioner's response must explain:

1. whether the commissioner will adopt policy changes based on the recommendations;
2. the timeline for adopting policy changes; and
3. why the commissioner will not or cannot adopt any policy changes based on committee recommendations.

The commissioner must submit the committee's advice and recommendations and the commissioner's response to the chairs and ranking minority members of the legislative committees with jurisdiction over public safety finance and policy. The commissioner may submit the information under this paragraph together with the report under subdivision 5, paragraph (c).

Member Restrictions include:

The commissioner must establish a Community Supervision Advisory Committee to develop and make recommendations to the commissioner on standards for probation, supervised release, and community supervision. The committee consists of 19 members as follows:

1. Two directors appointed by the Minnesota Association of Community Corrections Act Counties;
2. Two probation directors appointed by the Minnesota Association of County Probation Officers;
3. Three county commissioner representatives appointed by the Association of Minnesota Counties;
4. Two behavioral health, treatment, or programming providers who work directly with individuals on correctional supervision, one appointed by the Department of Human Services and one appointed by the Minnesota Association of County Social Service Administrators;
5. Two representatives appointed by the Minnesota Indian Affairs Council;
6. Two commissioner-appointed representatives from the Department of Corrections;
7. The chair of the statewide Evidence-Based Practice Advisory Committee;
8. Three individuals who have been supervised, either individually or collectively, under each of the state's three community supervision delivery systems appointed by the commissioner in consultation with the Minnesota Association of County Probation Officers and the Minnesota Association of Community Corrections Act Counties;
9. An advocate for victims of crime appointed by the commissioner; and
10. A representative from a community-based research and advocacy entity appointed by the commissioner.

When an appointing authority selects an individual for membership on the committee, the authority must make reasonable efforts to reflect geographic diversity and to appoint qualified members of protected groups, as defined under section 43A.02, subdivision 33.

Chapter 15 applies to the extent consistent with this section.

If there is a vacancy, the applicable appointing authority must appoint an individual to fill the vacancy. Committee members may elect any officers and create any subcommittees necessary to efficiently discharge committee duties.

A member may be removed by the appointing authority at any time at the pleasure of the appointing authority.

Summary of Activities include:

By December 1, 2024, the committee must provide written advice and recommendations to the commissioner on developing policy on:

1. statewide supervision standards and definitions to be applied to community supervision provided by CCA and non-CCA jurisdictions;
2. requiring CCA and non-CCA jurisdictions to use the same agreed-on risk screener and risk and needs assessment tools as the main supervision assessment methods or a universal five-level matrix allowing for consistent supervision levels and that all tools in use be validated on Minnesota's community supervision population and revalidated every five years;
3. requiring the use of assessment-driven, formalized, collaborative case planning to focus case planning goals on identified criminogenic and behavioral health need areas for moderate- and high-risk individuals;
4. limiting standard conditions required for all individuals on supervision across all supervision systems and judicial districts, ensuring that conditions of supervision are directly related to the offense of the individual on supervision, and tailoring special conditions to individuals on supervision identified as high risk and high need;
5. providing gender-responsive, culturally appropriate services and trauma-informed approaches;
6. developing a statewide incentives and sanctions grid to guide responses to client behavior while under supervision to be reviewed and updated every five years to maintain alignment with national best practices;
7. developing performance indicators for supervision success and recidivism;
8. developing a statewide training, coaching, and quality assurance system overseen by an evidence-based practices coordinator;
9. developing methods to evaluate outcomes for services provided by grant recipients under section 244.33, paragraph (c), clause (3);
10. devising a plan to eliminate the financial penalty incurred by a jurisdiction that successfully discharges an individual from supervision before the supervision term concludes; and
11. establishing a proposed state-level Community Supervision Advisory Board with a governance structure and duties for the board.

By July 1, 2025, and every four years thereafter, the committee must review and reassess the current workload study published by the commissioner under subdivision 4 and make recommendations to the commissioner based on the committee's review.

By June 30, 2024, the Community Supervision Advisory Committee must submit a report on supervision fees to the commissioner and the chairs and ranking minority members of the legislative committees with jurisdiction over corrections policy and finance. The committee must collect data on supervision fees and include the data in the report.

Early Intensive Developmental and Behavioral Intervention (EIDBI) Benefit Advisory Group

Legal Basis: M.S. 256B.0949
 PO Box 64967
 St. Paul, MN 55164-0967
 Telephone: (651) 431-2433

Compensation:

Powers and Duties include:

The Early Intensive Developmental and Behavioral Intervention (EIDBI) benefit is a medical benefit in Minnesota first offered in 2016 under Medicaid (Medical Assistance). The EIDBI is benefit is available to people under age 21 with a diagnosis of Autism Spectrum Disorder (ASD) and/or related conditions and who are eligible for Medical Assistance. Related conditions include, but are not limited to, Asperger's Syndrome, Fetal Alcohol Spectrum disorders, pervasive Developmental Disorder - Not Otherwise Specified (PDD-NOS), and Rett Syndrome.

The advisory group meets four times per year; since May 2020, all meetings have been virtual. The advisory group is consulted on the ongoing development of EIDBI policies and standards and on the implementation of the EIDBI benefit. Members are expected to share information with and seek input from organizations and networks they are affiliated with that support persons with autism and related conditions in order to broaden the input the advisory group provides to DHS and the information DHS wants to share with children and families living with ASD and related conditions.

The EIDBI Advisory Group was created by the Department of Human Services (DHS) in 2017; its 33 members serve two-year terms and may serve two consecutive terms. Membership categories include people with ASD or a related condition, parents of people under age 21 with ASD or a related condition, current EIDBI providers, psychologists, behavior professionals, and other licensed professionals; academics, county/tribe/managed care representatives, and state agency representatives. A few positions are direct appointments, but most are open, competitive appointments.

Member Restrictions include:

Persons appointed to the EIDBI Advisory Group through the open appointments process must fit one of these member categories:

1. Adult with ASD or a related condition
2. Parent/guardian of a child under age 21 diagnosed with ASD or a related condition
3. Provider of EIDBI and/or CMDE services
4. Developmental Disabilities (DD) or behavioral professional
5. Licensed professional (such as a psychologist, social worker, nurse, physician, special education teacher, occupational or speech therapist, etc.) who works directly with people under age 21 with ASD and related conditions
6. Academic whose field of research and teaching directly relates to people under age 21 diagnosed with ASD and related conditions
7. Advocate who works or volunteers for an organization that advocates on behalf of people under age 21 diagnosed with ASD and related conditions.
8. Representative of a managed care organization serving people in Minnesota who are under age 21 and are diagnosed with ASD and related conditions
9. Representative of a Minnesota Indian Tribe or a Native American resident of Minnesota

Summary of Activities include:

In 2023, the EIDBI Advisory Council:

1. Recommended that a licensure study be conducted to determine the benefits and costs of licensing the service. This recommendation was passed by the 2023 legislature.
2. Continued coordination between DHS/EIDBI and the Department of Education (MDE). This led the two agencies to hold community focus groups and virtual meetings to learn where families needed greater collaboration between the agencies.
3. Continued to provide feedback to DHS on variances to provider qualifications to address a provider shortage. These variances and other policy suggestions from the advisory group contributed to a doubling of the number of EIDBI providers. This, in turn, has doubled children's and young people's access to services.
4. Continued to participate with DHS staff in local and remotely accessible meetings for parents, potential providers, and college students. The meetings' purposes were to publicize the EIDBI benefit, recruit providers, and encourage college students and direct care workers to pursue courses for direct care and professional positions serving people with ASD and related conditions.
5. Provided input to DHS on improving the Minnesota Autism Portal website.
6. Made suggestions to EIDBI staff on revising the legislative language regarding EIDBI treatment modalities (methods) found in statute--important, as this field is evolving quickly.

Members also heard presentations from private-sector and state experts on the prevalence of autism and the status of treatment in Minnesota, such as the use of cannabis for people with ASD and learnings from tele-health outreach.

Meetings are held at: Meetings are virtual in 2023 and 2024. If this changes, we will update this notice.

Environmental Health Specialist/Sanitarian Advisory Council

Legal Basis: M.S. 214.13, SUBD. 4.
 MN Dept Of Health; Environmental Health Services; 625 North Robert Street
 St Paul, MN 55164-0975
 Telephone: (218) 302-6154

Compensation: Per diem plus mileage expenses for nongovernmental members.

Powers and Duties include:

Health starts where we live, learn, work and play. Environmental health (EH) is an integral part of Minnesota's public health system. The Environmental Health Specialist/Registered Sanitarian (REHS/RS) Advisory Council advises the Commissioner of Health regarding EH specialist/sanitarian registration standards, and enforcement of the REHS/RS rules, to provide for the dissemination of information regarding REHS/RS registration standards, and review applicants for registration or registration renewal.

There are many EH issues, including food borne disease outbreaks, air and water quality, solid waste and sewage disposal, the presence of hazardous and toxic substances, natural and man-made disasters, chemical and radiological exposures, and other health safety issues.

EH specialists/sanitarions administer environmental and public health programs for both public and private agencies and organizations through out the state and nation. Registration signifies a level of expertise and competence based on education and experience that is nationally recognized within the EH profession.

Registration has the primary purpose of protecting the public by eliminating the unqualified from professional practice. It is not designed to identify the most competent members of the profession, but to assure a minimum level of competence among all practitioners.

Member Restrictions include:

The seven-member council consists of four registered environmental health specialist/sanitarions; one representative of a regulated industry or educator; and two public members.

Per Minnesota Statute 214.05, public member is defined as:

"Public member" means a person who is not, or never was, a member of the profession or occupation being licensed or regulated or the spouse of any such person, or a person who does not have or has never had, a material financial interest in either the providing of the professional service being licensed or regulated or an activity directly related to the profession or occupation being licensed or regulated.

Summary of Activities include: Advise Commissioner of Health

Meetings are held at: MDH Office Complex, Freeman Building, Room A164, 625 Robert St N., St. Paul, MN 55155-2538. Some members may participate by electronic means.

Governor's Advisory Council on Climate Change

Legal Basis: Executive Order 19-37, as continued by Executive Order 23-05
 520 Lafayette Rd.
 St. Paul, MN 55155
 Telephone: (651) 757-2500

Compensation:

Powers and Duties include: The council's duties are as follows: meet up to four times per year to identify opportunities for, and barriers to, the development and effective implementation of policies and strategies to reduce greenhouse gas emissions and promote climate change resiliency; promote equity by examining how climate change impacts communities across the state and how potential solutions can address current disparities, incorporating the perspectives of people of color, indigenous people, rural Minnesotans, and other populations who experience disproportionate impacts from climate change; promote a just transition for impacted workers and communities by examining the trade-offs that may accompany policies.

Member Restrictions include: The Governor will seek representation from community leaders, individuals with experience in the business sector, agriculture, conservation and environmental protection, and other relevant stakeholders.

Summary of Activities include:

The council met on 1/16/2024, 4/16/2024, 7/16/2024. With 7 returning Advisory Council Members and 8 new members, the first meetings were used to orient the Advisory Council to Minnesota's Climate Action Framework, progress achieved since the Framework was published in 2022, and major state and federal funding opportunities for climate action in Minnesota.

During the July meeting, Advisory Council members were briefed on the plan to update the Climate Action Framework over the next 12-16 months. Members provided their initial input on the update process and how they can support the update process. Individual Advisory Council members were asked to volunteer for chapter-specific stakeholder engagement teams, which will organize meetings in fall 2024 through summer 2025 to hear from Minnesotans on climate priorities for Minnesota. The Advisory Council will provide direct assistance to the Climate Subcabinet in producing the final version of the Minnesota Climate Action Framework in mid-to-late 2025.

In addition to their assistance with the Climate Action Framework Update, Advisory Council members were provided with a Climate Action Framework Progress Report. This report, in conjunction with standardized slide decks about the Climate Action Framework, will assist Advisory Council members in speaking with their networks and Minnesotans about the importance of taking action on climate change.

The Advisory Council Members are connecting with stakeholders to fulfill the call of the Climate Change Executive Order to identify opportunities and barriers to climate action, and to ensure multiple voices are heard in the discussions regarding climate action in Minnesota.

Meetings are held at: Microsoft Teams, with the meetings livestreamed to YouTube. The meetings are recorded on YouTube and available for viewing after the meeting.

- (3) provide a platform for dialogue about the needs and challenges of those in active addiction or in recovery and to identify effective solutions and how those solutions will impact the lives of people in Minnesota, including those who are members of communities disproportionately impacted by addiction, including opioid addiction; and
- (4) gather and share ideas for how Minnesotans can get involved with and stay informed about addiction issues that matter to them.

The governor will appoint one member as chair of the advisory council.

(b) The advisory council must:

- (1) meet up to four times per year to identify opportunities for and barriers to the development and implementation of policies and strategies to expand access to effective services for people in Minnesota suffering from addiction;

Thirteen of the members are appointed by the governor, one in the field of higher education; one member each from the American Institute of Architects (AIA), the American Society of Interior Designers (ASID); and the American Society of Landscape Architects (ASLA); and a member, if available, of the family which donated the building, and eight public members, with four public members' terms being coterminous with the governor who appoints them. The remaining six members shall consist of the commissioner of Administration, a member of the Senate, a member of the House, the governor's spouse or designee, the executive director of the Minnesota State Arts Board, and the director of the Minnesota Historical Society. The purpose of the renovations is to make the Residence multifunctional while respecting its architectural and historical integrity. The following are recent accomplishments. An updated master plan for the residence was completed in 1997 by MacDonald & Mack Architects. In 1996 the ADA (accessibility) improvements on the first floor and lower level were completed and the woodwork in the dining room, foyer, and surrounding hallways was refinished. The dining room was also refurbished with new drapes and the chairs repaired and reupholstered with the guidance of Nakashian-O'Neil, interior design consultant. A new ancillary storage facility was constructed and security improvements were made using a portion of the \$900,000 appropriated by the 1996 Legislature. In 1997 the library was refurbished with new blinds and furniture, and some items were reupholstered. In 1998 new china and crystal glassware was purchased. The slate roof on the residence was replaced with new slate roof and improved kitchen ventilation in 1999.

- (i) Board members may be reappointed for up to two full terms.
- (j) A majority of board members, excluding vacancies, constitutes a quorum for the purpose of conducting business and exercising powers, and for all other purposes. Action may be taken by the authority upon a vote of a majority of the quorum present.
- (k) Board members and officers are not personally liable, either jointly or severally, for any debt or obligation created or incurred by the authority.

Summary of Activities include:

Beginning February 1, 2024, the authority must annually submit a comprehensive report on the authority's activities during the previous year to the governor and the chairs and ranking minority members of the legislative committees with primary jurisdiction over energy policy. The report must contain, at a minimum, information on:

- (1) the amount of authority capital invested, by project type;
- (2) the amount of private and public capital leveraged by authority investments, by project type;
- (3) the number of qualified projects supported, by project type and location within Minnesota, including in environmental justice communities;
- (4) the estimated number of jobs created for local workers and nonlocal workers, the ratio of projects subject to and exempt from prevailing wage requirements under subdivision 6, paragraph (b), and tax revenue generated as a result of the authority's activities;
- (5) estimated reductions in greenhouse gas emissions resulting from the authority's activities;
- (6) the number of clean energy projects financed in low- and moderate-income households;
- (7) a narrative describing the progress made toward the authority's equity, social, and labor standards goals; and
- (8) a financial audit conducted by an independent party.

No later than December 15, 2024, and every four years thereafter, the authority must adopt a long-term investment strategy to ensure the authority's paramount goal to reduce greenhouse gas emissions is reflected in all of the authority's operations. The investment strategy must address:

- (1) the types of qualified projects the authority should focus on;
- (2) gaps in current qualified project financing that present the greatest opportunities for successful action by the authority;
- (3) how the authority can best position itself to maximize its impact without displacing, subsidizing, or assuming risk that should be shared with financing entities;
- (4) financing tools that will be most effective in achieving the authority's goals;
- (5) partnerships the authority should establish with other organizations to increase the likelihood of success; and
- (6) how values of equity, environmental justice, and geographic balance can be integrated into all investment operations of the authority.
- (b) In developing an investment strategy, the authority must consult, at a minimum, with similar organizations in other states, lending authorities, state agencies, utilities, environmental and energy policy nonprofits, labor organizations, and other organizations that can provide valuable advice on the authority's activities.
- (c) The long-term investment strategy must contain provisions ensuring that:
 - (1) authority investments are not made solely to reduce private risk; and
 - (2) private financing entities do not unilaterally control the terms of investments to which the authority is a party.
- (d) The board must submit a draft long-term investment strategy for comment to each of the groups and individuals the board consults under paragraph (b) and to the chairs and ranking minority members of the senate and house of representatives committees with primary jurisdiction over energy finance and policy, and must post the draft strategy on the authority's website. The authority must accept written comments on the draft strategy for at least 30 days and must consider the comments in preparing the final long-term investment strategy.

The authority must:

- (1) maintain a public website that provides information about the authority's operations, current financing programs, and practices, including rates, terms, and conditions; the number and amount of investments by project type; the number of jobs created; the financing application process; and other information;
- (2) periodically issue an electronic newsletter to stakeholders and the public containing information on the authority's products, programs, and services and key authority events and decisions; and

(3) hold quarterly meetings accessible online to update the general public on the authority's activities, report progress being made in regard to the authority's strategic plan and long-term investment strategy, and invite audience questions regarding authority programs.

Minnesota Secure Choice Retirement Program

Legal Basis: MN Laws 2023 (Chapter 46, Section 6)
Centennial Office Building, 1st Floor
St. Paul, MN 55155
Telephone: (651) 296-2750

Compensation: \$55.00 a day spent on board activities, when authorized by the Board, as provided under section 15.0575, subdivision 3. Public members may be reimbursed for certain expenses, when authorized by the Board, as provided under section 15.0575, subdivision 3.

Powers and Duties include:

The newly established Secure Choice Retirement Program is intended to benefit employees in the private sector who have no opportunity to save for retirement through an employer-sponsored retirement plan such as a 401(k) plan. Employers that do not sponsor a retirement plan for their employees must transmit a percentage of each employee's pay to a state-sponsored individual retirement account (IRA). An employee may opt out or remain in the Program and direct the investment of the employee's account into investment funds overseen by the Minnesota State Board of Investment. The duties of the Program's Board of Directors include the following:

- Appoint an executive director, determine the duties and compensation of the director, and hire additional staff as it determines necessary.
- Determine the initial employee contribution rate and an automatic escalation schedule.
- Determine the default investment fund into which IRAs will be invested in the absence of employee direction.
- Monitor annual administrative fees and keep fees as low as possible.
- Assess the feasibility of partnering with another state or another state agency to administer the program and, if determined beneficial, oversee the establishment of the partnership, which may include combining resources, investments, or administrative functions.
- Hire third-party service providers as determined necessary, including trustees, investment managers, recordkeepers, and legal counsel.
- Oversee a communication and outreach program to educate employers and employees about the Program.

Member Restrictions include:

The policy-making function of the program is vested in a board of directors consisting of seven members as follows:

- (1) the executive director of the Minnesota State Retirement System or the executive director's designee;
- (2) the executive director of the State Board of Investment or the executive director's designee;
- (3) three members chosen by the Legislative Commission on Pensions and Retirement, one from each of the following experience categories:
 - (i) executive or operations manager with substantial experience in record keeping 401(k) plans;
 - (ii) executive or operations manager with substantial experience in individual retirement accounts; and
 - (iii) executive or other professional with substantial experience in retirement plan investments;
- (4) a human resources or retirement benefits executive from a private company with substantial experience in administering the company's 401(k) plan, appointed by the governor; and
- (5) a small business owner or executive appointed by the governor.

Appointment. Members appointed by the governor must be appointed as provided in section 15.0597.

Board members serve for two-year terms, except for the executive directors of the Minnesota State Retirement System and the State Board of Investment, who serve indefinitely.

Board members' terms may be renewed, but no member may serve more than two consecutive terms.

Resignation; removal; vacancies.

- (a) A board member may resign at any time by giving written notice to the board.
- (b) A board member may be removed by the appointing authority and a majority vote of the board following notice and hearing before the board. For purposes of this subdivision, the chair may invite the appointing authority or a designee of the appointing authority to serve as a voting member of the board if necessary to constitute a quorum.
- (c) If a vacancy occurs, the Legislative Commission on Pensions and Retirement or the governor, as applicable, shall appoint a new member within 90 days.

No member of the board may participate in deliberations or vote on any matter before the board that will or is likely to result in direct, measurable economic gain to the member or the member's family. Members of the board shall file with the Campaign Finance and Public Disclosure Board an economic interest statement in a manner as prescribed by section 10A.09, subdivisions 5 and 6.

Summary of Activities include:

In addition to the duties set forth elsewhere in this chapter, the board has the following duties:

- (1) to establish secure processes for enrolling covered employees in the program and for transmitting employee and employer contributions to accounts in the trust;
- (2) to prepare a budget and establish procedures for the payment of costs of administering and operating the program;
- (3) to lease or otherwise procure equipment necessary to administer the program;
- (4) to procure insurance in connection with the property of the program and the activities of the board, executive director, and other staff;
- (5) to determine the following:
 - (i) any criteria for a covered employee other than employment with a covered employer under section 187.03, subdivision 5;
 - (ii) contribution rates and an escalation schedule under section 187.05, subdivision 4;
 - (iii) withdrawal and distribution options under section 187.05, subdivision 6; and
 - (iv) the default investment fund under section 187.06, subdivision 5;
- (6) to keep annual administrative fees, costs, and expenses as low as possible:
 - (i) except that any administrative fee assessed against the accounts of covered employees may not exceed a reasonable amount relative to the fees charged by auto-IRA or defined contribution programs of similar size in the state of Minnesota or another state; and
 - (ii) the fee may be asset-based, flat fee, or a hybrid combination of asset-based and flat fee;
- (7) to determine the eligibility of an employer, employee, or other individual to participate in the program and review and decide claims for benefits and make factual determinations;
- (8) to prepare information regarding the program that is clear and concise for dissemination to all covered employees and includes the following:
 - (i) the benefits and risks associated with participating in the program;
 - (ii) procedures for enrolling in the program and opting out of the program, electing a different or zero percent employee contribution rate, making investment elections, applying for a distribution of employee accounts, and making a claim for benefits;
 - (iii) the federal and state income tax consequences of participating in the program, which may consist of or include the disclosure statement required to be distributed by retirement plan trustees or custodians under the Internal Revenue Code and the Treasury Regulations thereunder;
 - (iv) how to obtain additional information on the program; and
 - (v) disclaimers of covered employer and state responsibility, including the following statements:
 - (A) covered employees seeking financial, investment, or tax advice should contact their own advisors;
 - (B) neither a covered employer nor the state of Minnesota are liable for decisions covered employees make regarding their account in the program;
 - (C) neither a covered employer nor the state of Minnesota guarantees the accounts in the program or any particular investment rate of return; and
 - (D) neither a covered employer nor the state of Minnesota monitors or has an obligation to monitor any covered employee's eligibility under the Internal Revenue Code to make contributions to an account in the program, or whether the covered employee's contributions to an account in the program exceed the maximum permissible contribution under the Internal Revenue Code;

(9) to publish an annual financial report, prepared according to generally accepted accounting principles, on the operations of the program, which must include but not be limited to costs attributable to the use of outside consultants, independent contractors, and other persons who are not state employees and deliver the report to the chairs and ranking minority members of the legislative committees with jurisdiction over jobs and economic development and state government finance, the executive directors of the State Board of Investment and the Legislative Commission on Pensions and Retirement, and the Legislative Reference Library;

(10) to publish an annual report regarding plan outcomes, progress toward savings goals established by the board, statistics on the number of participants, participating employers, and covered employees who have opted out of participation, plan expenses, estimated impact of the program on social safety net programs, and penalties and violations, and disciplinary actions for enforcement, and deliver the report to the chairs and ranking minority members of the legislative committees with jurisdiction over jobs and economic development and state government finance, the executive directors of the State Board of Investment and the Legislative Commission on Pensions and Retirement, and the Legislative Reference Library;

(11) to file all reports required under the Internal Revenue Code or chapter 290;

(12) to, at the board's discretion, seek and accept gifts, grants, and donations to be used for the program, unless such gifts, grants, or donations would result in a conflict of interest relating to the solicitation of service provider for program administration, and deposit such gifts, grants, or donations in the Secure Choice administrative fund;

(13) to, at the board's discretion, seek and accept appropriations from the state or loans from the state or any agency of the state;

(14) to assess the feasibility of partnering with another state or a governmental subdivision of another state to administer the program through shared administrative resources and, if determined beneficial, enter into contracts, agreements, memoranda of understanding, or other arrangements with any other state or an agency or subdivision of any other state to administer, operate, or manage any part of the program, which may include combining resources, investments, or administrative functions;

(15) to hire, retain, and terminate third-party service providers as the board deems necessary or desirable for the program, including but not limited to the trustees, consultants, investment managers or advisors, custodians, insurance companies, recordkeepers, administrators, consultants, actuaries, legal counsel, auditors, and other professionals, provided that each service provider is authorized to do business in the state;

(16) to interpret the program's governing documents and this chapter and make all other decisions necessary to administer the program;

(17) to conduct comprehensive employer and worker education and outreach regarding the program that reflect the cultures and languages of the state's diverse workforce population, which may, in the board's discretion, include collaboration with state and local government agencies, community-based and nonprofit organizations, foundations, vendors, and other entities deemed appropriate to develop and secure ongoing resources; and

Telephone: (651) 757-1725

Compensation: \$50 per diem (for public members) plus expenses

Powers and Duties include:

The commission establishes the sentencing guidelines that district courts apply at felony sentencing hearings, conducts related research and analysis, shares information, and advises the legislature.

Member Restrictions include: The 11 members include one judge of the Court of Appeals and one district court judge to be appointed by the Chief Justice of the Supreme Court; one public defender; one county attorney; one peace officer; one probation officer; three public members, one of whom must be a victim of a crime defined as a felony; and the Chief Justice of the Supreme Court and the commissioner of Corrections or their designees. The Minnesota Sentencing Guidelines Commission regularly modifies the Guidelines to accommodate new laws and improve sentencing policy. The agency's research and monitoring functions provide important information to policy makers, including estimates of the fiscal and demographic impact of proposed crime laws and sentencing policies.

Meetings are held at: Meetings are usually held in Saint Paul. Remote participation is usually an option. See the Commission's website for details.

 625 N Robert Street
 St. Paul, MN 55155
 Telephone: (651) 201-6659

Compensation: The members may be paid expenses in the same manner and amount as authorized by the commissioner's plan adopted according to section 43A.18, subdivision 2.

Powers and Duties include:

The commissioner shall develop a pesticide management plan for the prevention, evaluation, and mitigation of occurrences of pesticides or pesticide breakdown products in groundwaters and surface waters of the state. The pesticide management plan must include components promoting prevention, developing appropriate responses to the detection of pesticides or pesticide breakdown products in groundwater and surface waters, and providing responses to reduce or eliminate continued pesticide movement to groundwater and surface water. By September 1 of each even-numbered year, the commissioner must submit a status report on the plan to the Environmental Quality Board for review and then to the house of representatives and senate committees with jurisdiction over the environment, natural resources, and agriculture.

The pesticide management plan shall be coordinated and developed with other state agency plans and with other state agencies through the Environmental Quality Board. In addition, the University of Minnesota Extension Service, farm organizations, farmers, environmental organizations, and industry shall be involved in the pesticide management plan development.

Member Restrictions include:

The committee shall have no more than 15 members.

PMPC members are selected by the commissioner following the open appointment process (Minn. Stat. § 15.0597) and serve for two-year terms. PMPC membership includes representation from the Minnesota Pollution Control Agency, the Minnesota Department of Health, the Minnesota Department of Natural Resources, University of Minnesota Extension, farm organizations, farmers, environmental organizations, and industry, in addition to at-large members. The MDA appreciates the contributions that these individuals, and the organizations they represent, make in implementing Minnesota's plan for protecting groundwater and surface water.

The PMPC serves at the discretion of the commissioner, who establishes the final composition of the committee. In accordance with the Pesticide Management Plan, preference is given to candidates with relevant scientific credentials, broad representation of their interest group, and experience in Minnesota. Members of the committee should, but are not required to, have scientific expertise in areas such as hydrology, natural resources, pesticide chemistry, pesticide use, public health, soil chemistry, or toxicology. If you are interested in participating on the PMPC, please contact the MDA for more information.

Summary of Activities include:

The purpose of the Pesticide Management Plan Committee (PMPC) is to provide informed and diverse comment to the commissioner of agriculture for major water quality evaluation activities and decisions. The PMPC was established in 2005 in accordance with the Minnesota [Pesticide Management Plan: A Plan for the Protection of Groundwater and Surface Water](#). This committee is one element of ensuring open and equitable comment on decisions for all MDA stakeholders.

The PMPC meets at least once per year to review the MDA's annual [water monitoring report](#). At the meeting, MDA staff present groundwater and surface water monitoring data from the previous year and discuss findings with the committee. For more information visit [PMPC Meeting Agenda and Notes](#).

A conflict of interest includes any instance in which a person, a person's immediate family member, including a spouse, parent, child, or other legal dependent, or an in-law of any of the preceding individuals, has received or could receive a direct or indirect financial benefit of any amount deriving from the result or findings of a decision or determination of the board. For purposes of this section, a financial benefit includes honoraria, fees, stock, the value of the member's, immediate family member's, or in-law's stock holdings, and any direct financial benefit deriving from the finding of a review conducted under sections 62J.85 to 62J.95. Special Review Board

Legal Basis: M.S. 253B.18 sub 4c & 253B.185 sub 9
 444 Lafayette Road N
 St Paul, MN 55164-0992
 Telephone: (651) 431-2531

Compensation: (1) mileage; (2) the attorney member of each Special Review Board panel receives an additional \$150.00 for preparation of the Board's Findings of Fact and Recommendation.

Powers and Duties include:

The Special Review Board is established by Minnesota Statutes 253B.18, subdivision 4c. Members are appointed by the Commissioner of Human Services.

Prior to each Special Review Board hearing, the panel members receive and review written materials (e.g. petition, reports, treatment records, etc.). During each hearing, which typically lasts approximately 30 minutes, panel members hear presentations by various individuals (e.g. treatment providers, forensic psychologists or psychiatrists, attorneys, the committed person, and/or the committed person's family/friends) and ask questions of the presenters. Following each hearing, the panel members privately deliberate and decide the panel's recommendation.

Following the hearing, the panel's attorney member drafts written Findings of Fact and Recommendation for the consideration of the Commissioner of Human Services (for matters pertaining to persons civilly committed as Mentally Ill and Dangerous) or the Judicial Appeal Panel (for matters pertaining to persons civilly committed as Sexually Dangerous Persons or Sexual Psychopathic Personalities).

Special Review Board hearings are held in blocks of three to five hearings, which are scheduled over the course of a morning or afternoon multiple times per week. The number of hearings heard by each Special Review Board member varies according to the members' schedules and the number of scheduled hearings.

Member Restrictions include:

The Special Review Board hears and makes recommendations on matters affecting the liberty of persons civilly committed as Mentally Ill and Dangerous, a Sexual Psychopathic Personality, and/or Sexually Dangerous Person. Specifically, the Board hears petitions for a reduction in custody filed by or on behalf of these civilly committed persons as well as appeals of provisional discharge revocations and objections to pass plan eligibility.

There are 24 members on the Special Review Board, and each matter is heard by a three-person panel of Board members. Each panel must include a licensed attorney and a licensed psychiatrist or licensed doctoral level psychologist with forensic experience, both of whom must also be experienced in the field of mental illness. The third member of each panel is a community member who is experienced in the field of mental illness.

Special Review Board members must use technology (e.g. email, internet-based secure file transfer services, etc.) during the course of their Board-related work. Board members must also attend initial training sessions and ongoing training (typically twice per year). Attorney Board members must have excellent writing skills as they are responsible for preparing written Findings of Fact and Recommendations.

Preferred qualifications for all Special Review Board members include professional experience related to sexual abuse or disorders, and experience with the Minnesota Commitment and Treatment Act (Minnesota Statutes Chapter 253B) and/or the Minnesota Commitment and Treatment Act: Sexually Dangerous Persons and Sexual Psychopathic Personalities (Minnesota Statutes Chapter 253D).

Special Review Board members may not be currently affiliated with the Department of Human Services.

Summary of Activities include: Two Hundred hearings - approximately 52 hearing days

Meetings are held at: Dept of Human Services in St. Paul, MN and via ITV

St. Paul, MN 55155
Telephone: (651) 562-5078

Compensation: Members of the boards may be compensated at the rate of \$55 a day spent on board activities, when authorized by the board, plus expenses in the same manner and amount as authorized by the commissioner's plan adopted under section 43A.18, subdivision 2. Members who, as a result of time spent attending board meetings, incur child care expenses that would not otherwise have been incurred, may be reimbursed for those expenses upon board authorization.

Powers and Duties include:

The board shall work cooperatively with the head appellate counsel to govern the office and provide fiscal oversight.

The board shall approve and recommend to the legislature a budget for the board, the office, and any programs operated by that office.

The board shall establish procedures for distribution of funding under this section to the office and any programs operated by that office.

The head appellate counsel with the approval of the board shall establish appellate program standards, administrative policies, procedures, and rules consistent with statute, rules of court, and laws that affect appellate counsel's work. The standards must include but are not limited to:

1. standards needed to maintain and operate an appellate counsel for parents program, including requirements regarding the qualifications, training, and size of the legal and supporting staff for an appellate counsel program;
2. standards for appellate counsel caseloads;
3. standards and procedures for the eligibility of appointment, assessment, and collection of the costs for legal representation provided by appellate counsel;
4. standards for contracts between contracted appellate counsel and the state appellate counsel program for the legal representation of indigent persons;
5. standards prescribing minimum qualifications of counsel appointed under the board's authority or by the courts; and
6. standards ensuring the independent, competent, and efficient representation of clients whose cases present conflicts of interest.

The head appellate counsel, with approval of the board, shall establish training program standards and processes and procedures necessary to carry out the office's responsibilities for statewide training of parent attorneys, including but not limited to establishing uniform practice standards and training requirements for all parent attorneys practicing in the state.

The head appellate counsel and the program administrator with approval of the board shall establish processes and procedures for collaborating with the Department of Human Services to secure and utilize Title IV-E funds and communicating with counties and Tribes and any other processes and procedures necessary to carry out the office's responsibilities.

Beginning January 1, 2024, and for every four years after that date,

the board shall appoint a head appellate counsel in charge of executing the responsibilities of the office who shall provide for sufficient appellate counsel for parents and other personnel necessary to discharge the functions of the office. The head appellate counsel shall serve a four-year term and may be removed only for cause upon the order of the board. The head appellate counsel shall be a full-time qualified attorney, licensed to practice law in this state, and serve in the unclassified service of the state. Vacancies of the office shall be filled by the appointing authority for the unexpired term. The head appellate counsel shall devote full time to the performance of duties and shall not engage in the general practice of law. The compensation of the head appellate counsel shall be set by the board and shall be commensurate with county attorneys in the state.

Consistent with the decisions of the board, the head appellate counsel shall employ assistants or hire independent contractors to serve as appellate counsel for parents. Each assistant appellate counsel and independent contractor serves at the pleasure of the head appellate counsel. The compensation of assistant appellate counsel and independent contractors shall be set by the board and shall be commensurate with county attorneys in the state.

A person serving as appellate counsel shall be a qualified attorney licensed to practice law in this state. A person serving as appellate counsel practicing in Tribal court shall be a licensed attorney qualified to practice law in Tribal courts in the state. Assistant appellate counsel and contracted appellate counsel may engage in the general practice of law where not employed or contracted to provide services on a full-time basis.

2. two staff attorneys;
3. one director of training;
4. one program administrator to support Title IV-E reimbursement in collaboration with the Department of Human Services; and
5. one office administrator.

Any person serving as managing appellate attorney, staff attorney, and director of training shall be a qualified attorney licensed to practice law in the state.

A person serving as the program administrator and office administrator must be chosen solely on the basis of training, experience, and qualifications.

Member Restrictions include:

The board shall consist of seven members, including:

1. four public members appointed by the governor; and
2. three members appointed by the supreme court, at least one of whom must have experience representing parents in juvenile court and who include two attorneys admitted to practice law in the state and one public member.

State Historic Preservation Review Board

Legal Basis: M.S. 138.665; Required by Federal law
 50 Sherburne Avenue
 St. Paul, MN 55155
 Telephone: (651) 201-3288

Compensation: Expenses Only

Powers and Duties include:

(5) The Review Board must adopt written procedures governing its operations consistent with the provisions of this section and related guidance that the National Park Services issues.

(6) Review Board responsibilities include, but are not limited to, the following:

- (i) Providing advice to the SHPO on the full range of Historic Preservation Fund-supported activities, that section 101(b)(3) of the Act describes;
- (ii) Reviewing and making recommendations on National Register nomination proposals;
- (iii) Participating in the review of appeals to National Register nominations; and
- (iv) Performing such other duties as may be appropriate.

Member Restrictions include:

(1) All Review Board members must have demonstrated competence, interest, or knowledge in historic preservation. A majority of Review Board members must meet "the Secretary of the Interior's (Historic Preservation) Professional Qualifications Standards," which are part of the larger "Secretary's Standards and Guidelines for Archeology and Historic Preservation." The members meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" must include, at a minimum, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for history, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for architectural history, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for history, one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for historic archaeology, and one individual meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" for prehistoric archaeology. One individual may meet the Standards for more than one required discipline. The other Review Board members, if any, who comprise the majority meeting "the Secretary's (Historic Preservation) Professional Qualifications Standards" may represent, subject to the SHPO's selection, any of the disciplines that those "Standards" describe.

(2) The Secretary will consider proposals from a SHPO for a minimum required Review Board composition that differs from the requirement that paragraph (f)(1) of this section specifies, if the proposal addresses better an appropriate balance of historic property, customer or constituent, and historic preservation needs in that State.

(3) When a required Review Board position becomes vacant, the SHPO must fill the vacancy in a timely manner. In the interim, the SHPO must ensure that the Review Board has access to advice from appropriately qualified individuals. A lapse of more than one year in filling the vacancy is cause for review, comment, and appropriate action by the Secretary.

(4) The Review Board must meet as often as is necessary to complete its work in a timely fashion, but no less often than once a year.

Summary of Activities include:

Since 1969 Minnesota's State Historic Preservation Review Board has reviewed properties for nomination to the National Register of Historic Places (NRHP), a federally-managed program recognizing the importance of local, state, and national history as expressed in our built and archaeological environments. The NRHP is one of several historic preservation programs created with passage of the National Historic Preservation Act of 1966, the most comprehensive federal law pertaining to protection of historic resources.

Since its founding, the Review Board has considered and debated numerous properties, and to date more than 1,700 Minnesota properties representing more than 7,000 historic resources have been listed in the NRHP. Many of the properties have employed the tax credits for historic rehabilitation, which are available only to properties listed in the NRHP. This not only brings older, historic buildings back to life but employs numerous individuals in the process. The tax credits for historic rehabilitation program have been an extremely successful endeavor in Minnesota.

1. The Department of Human Services;
2. Individuals referred for admission and care at state-operated treatment programs, including both individuals referred for priority admission under Minnesota Statutes, section 253B.10, subdivision 1, paragraph (b), and individuals not referred according to such priority admissions requirements; and

Summary of Activities include:

The task force must:

1. Evaluate the impact of the priority admissions required under Minnesota Statutes, section 253B.10, subdivision 1, paragraph (b), on the ability of the state to serve all individuals in need of care in state-operated treatment programs by analyzing:

- the number of individuals admitted to state-operated treatment programs from jails or correctional institutions according to the requirements of Minnesota Statutes, section 253B.10, subdivision 1, paragraph (b), since July 1, 2013;
- the number of individuals currently on waiting lists for admission to state-operated treatment programs; the average length of time an individual admitted from a jail or correctional institution waits for a medically appropriate bed in a state-operated treatment program, compared to an individual admitted from another location, such as a community hospital or the individual's home; and

Recommendations must ensure that state-operated treatment programs have medical discretion to admit individuals with the highest acuity and who may pose a risk to self and others, regardless of referral path; and

4. Identify and recommend options for providing treatment to individuals referred according to the priority admissions required under Minnesota Statutes, section 253B.10, subdivision 1, paragraph (b), and other individuals in the community who require treatment at state-operated treatment programs.
