ii. Determined that B Lab is indeed an organization independent of any interest in MCSC.

iii. Approved the Impact Assessment and attachment

2i. With regard to fiscal 2023, we have chosen B Lab's Impact Assessment tool.

ii A and B. How the Minnesota Center for Systemic Constellations has contributed to the general benefit, the extent to which and the ways in which the Minnesota Center for Systemic Constellations has created general public benefit are described in the attached B-Lab Impact Assessment questionnaire.

iiC. Our efforts to pursue or create general public benefit were hindered by the serious illness and eventual death of one of the co-founders, Michael McElwee. 3. This is not the first report we have filed.

4. We used the same version of the B-Lab Impact Assessment as in 2022 – the B-Lab Quick Impact Assessment.

4.i We applied the standard in the same way as last year.

3.6 We do not in addition have a specific benefit statement
